

Oral Health Services

Your child is now due for a dental check-up

We've improved our School Dental Service

Good dental health begins at home. That's why we're making changes to our school dental program to give all parents the opportunity to be involved in their child's dental care.

What's changing?

We now ask that a parent or legal guardian attends every dental appointment with their child. To fit in with busy families, we are offering free treatment at any of Metro South Health's public clinics across the region.

That means you will now need to book an appointment for you and your child; we will no longer arrange appointments through your child's school.

How can I make an appointment?

Simply call our new telephone line – **1300 300 850** – to arrange an appointment at a time and location convenient for you.

Who can now attend?

- ✓ **All students 4 years of age through to year 10**
- ✓ **Students in years 11 and 12**
who have a current Centrelink Card, Healthcare Card or Pension Card
- ✓ **0-3 year olds**
whose parents have a current Centrelink Card, Healthcare Card or Pension Card
- ✓ **2-17 year olds**
who are eligible for the Child Dental Benefits Schedule (CDBS). To check your eligibility visit the website at my.gov.au or phone 13 20 11.

We look forward to welcoming you and your family soon. Please see overleaf for a list of our clinics.
