**JOB-FOCUSED
TRAINING**

**MAKE
GREAT
HAPPEN**

tafe
Brisbane

Knowing what to do when you leave school can be hard. This is why at TAFE Queensland Brisbane have created a series of hands-on programs designed specifically for grade 10, 11 and 12 students. From classics such as hospitality and fashion through to new areas like robotics and mobile apps, we give you the opportunity to trial potential pathways in a wide range of industries. The programs are as fun as they are educational, and will give you a firsthand look at what it's like to work in the industry of your choosing. The winter program will also be a great opportunity to get an insight into 'the good, the bad and the ugly' from one of our industry guest speakers.
