

SHAILER PARK STATE HIGH SCHOOL

— *Lifting Aspirations* —

an Independent Public School

'Leading Resilient, Reflective, Resourceful, Relational students towards a Bright Future.'

At Shailer Park State High School, we are Lifting Aspirations through Big Plans and Bold Ambitions for a Bright Future.

We pride ourselves on supporting students to achieve personalised pathways to success. Simultaneously, we teach students to be resilient, reflective, resourceful and relational, resulting in the development of young people who have the skills and dispositions to thrive in this changing world of ours.
