# UNEARTH YOUR POTENTIAL

## 2020 APPRENTICE INTAKE

Every day, thousands of people come to work at Hastings Deering and everytime they walk through our doors, we want them to know how valued they are. An apprenticeship with Hastings Deering is more than a training program. It's an opportunity to learn from the best in the business in our state-of-the-art facilities.

With a network across Queensland, Northern Territory, Papua New Guinea, Solomon Islands and New Caledonia, Hastings Deering offers extensive career opportunities in a variety of fields.

Working with world-class Caterpillar machinery, our apprentices learn about the repair, servicing and maintenance of a massive range of equipment, engines and power systems. At the completion of their apprenticeship, our apprentices receive a nationally recognised trade qualification.
