

Parents & Citizens Association

Term 3 is here and we are still navigating through COVID-19 and its impacts on our school, our community and our kids.

Coffee – is there a more perfect beverage? Your P&C has won a grant to purchase a mobile espresso machine. This means we can support the community with hot beverages as well as supporting our hospitality certificate students learn the trade of Barista!

The coffee machine will be housed on a mobile trolley so it can be used at a variety of events throughout the school year. So if you buy a coffee or two you'll be helping raise funds for our school community, so thank you.

We have an interesting Term 3 and 4 ahead of us with larger gatherings and sport and academies commencing and I believe, as a community, we are well up to any future challenges in this COVID-19 world.

Air-Conditioning

We're maintaining our Air-con. priority, even though we're on list to be the next government school to receive it. Until it's in we need to stay focussed on it.

We are inviting our parents to participate in our 'Just One Thing' campaign for this year.

We'd love to finish 2020 productively and successfully for everyone and we need you. Can you do '**Just one thing**' between now and the end of the school Year?

Here are some suggestions of what you could do to help:

- Help with Grant Applications.
- Volunteering for a Monday BBQ.
- Helping at School events (Red Food Day etc.)
- Sponsoring an event.
- Contributing positive messages to the school Facebook page.

Over **\$2006.10** fundraised in total so far!

Please quote the above Scheme ID when donating.
